PREPARATORY SCHOOL
NOTTINGHAM ROAD

4 March 2022

Dear Parents,

A couple of weeks ago our children had the privilege of listening to Richard Flack, a professional bird photographer and one of our parents at the school, as he addressed them during an assembly. Richard shared the most incredible photos and facts about birds only found in and around the Nottingham Road area leaving his audience in awe. This reminded me not only of the importance of creating an awareness for appreciating this amazing environment we are living in, but also highlights an opportunity to engage in positive conversations and relationships with our children.

Herewith a copy of our weekly [e news](#)
