Dear Parents,

Congratulations to the following Clifton riders who competed in the SANESA Core last weekend at the Canterbury Equestrian Centre.

SANESA Core is a multi-discipline show. They run dressage, showing, equitation and show jumping classes over two days. It is a South African national equestrian school league. The aim is for the kids to do all four qualifiers in the province, they are then eligible to be selected to represent KZN schools team and compete at SANESA nationals.
